Terms and Conditions

Information on physical characteristics is based upon tests we believe to be reliable. The values listed herein are typical values and are not for use in specifications. They are intended only as a source of information and are given without guarantee and do not constitute a warranty. Purchasers should independently determine, prior to use, the suitability of any material for their specific use. All technical data is subject to change without prior notice.

Description

A 5 Mil white polyester film with a brilliant white glossy finish and outstanding "color pop". This film has an instant dry coating to maximize production. This can be overlaminated with either low-melt or pressure sensitive laminates.
