Terms and Conditions

Information on physical characteristics is based upon tests we believe to be reliable. The values listed herein are typical values and are not for use in specifications. They are intended only as a source of information and are given without guarantee and do not constitute a warranty. Purchasers should independently determine, prior to use, the suitability of any material for their specific use. All technical data is subject to change without prior notice.

Description

The 60/40% perforation pattern allows for the maximum print surface, making it ideal for all retail exterior-mount window graphics requiring small detail and text. Clear adhesive, outdoor removable up to one year.
