### Applications

Bus Stops
Backlit Trade Show Displays
Kiosks
Lightbox Graphics

### Description

This film has a low-glare satin top coat that dries quickly and produces deep blacks and vivid colors that will make your graphics pop when displayed in a light box. Made from 100% polyester film, a great choice for outdoor displays that need to be scratch resistant. Apply any millennium laminates for further protection.

### Available Sizes

Widths (inch)					Lengths (feet)
